Security & Cleaning Solutions – Your One Stop Service Provider

Steve Ray

At Metropolitan Security Services, we pride ourselves on delivering more than just security — we provide complete peace of mind through our integrated Security & Cleaning Solutions. As your trusted one-stop service provider, we offer professional, reliable, and tailored solutions designed to meet the evolving needs of businesses, residential estates, commercial facilities, and industrial operations.

What We Bring to the Table – Services Designed Around You

At Metropolitan Security Services, we believe every client deserves a solution that is professional, dependable, and tailored to their unique environment. Our wide range of services is designed to protect your people, premises, assets, and reputation.

Our Professional Service Solutions Include:

🛡️ Manned Guarding Services

Highly trained security officers providing visible protection, access management, and incident response.

🚓 Mobile Patrol & Rapid Response Services

Flexible patrol solutions delivering proactive security presence and quick response capabilities.

📺 Event Security Management

Professional crowd control, guest management, and event protection for corporate, private, and public events.

🔒 Access Control & Risk Management

Helping organisations manage security risks, site access, and operational safety with confidence.

★ VIP & Executive Protection

Discrete, professional personal protection services for executives, dignitaries, and special clients.

🧹 Professional Cleaning & Hygiene Services

Delivering clean, safe, and welcoming environments across offices, residential properties, industrial sites, and commercial facilities.

This month, we proudly spotlight Steve Ray, our respected Strategy Consultant and valued member of Metropolitan's senior management team.

With a distinguished background in both the legal sector and the Metropolitan Police Force, London, Steve brings extensive expertise in strategy, practice management, financial control, and training.

Beyond his professional career, Steve is passionate about community development, actively supporting meaningful initiatives and working alongside organisations and government stakeholders to drive positive change.

We are proud to have Steve's leadership, experience, and commitment contributing to Metropolitan's vision and continued success.

Security Without Borders: Metropolitan Security Services In Thailand

AWARDS

March Employee of the Month
Patrick Dzvetero ("Pat") | Marketing Director
Recognised for his leadership, innovation, and commitment to company growth and development.

Manager of the Month – Nikon
Honoured for his leadership and contribution to the growth of our operations across Thailand and South East Asia.

Housekeeper of the Month
Yai | Thailand
Celebrated for her professionalism, reliability, and exceptional service standards.

Metropolitan Security Services continues to expand its international footprint through its growing presence in Thailand, delivering professional security, risk management, and support solutions beyond borders. With a commitment to excellence, local collaboration, and global standards, our operations in Thailand reflect Metropolitan's vision of providing trusted, adaptable, and world-class services across diverse environments and communities.

New Partnership Announcement – American Golf

Metropolitan Security Services is pleased to announce our appointment as the preferred security supplier to American Golf in supporting their fight against retail crime.

Our services will include highly trained plain clothed store detectives specialising in the detection and prevention of shoplifting, alongside professional uniformed retail security officers providing a strong visible deterrent within stores.

This partnership reflects Metropolitan's continued commitment to delivering specialist security solutions tailored to the evolving needs of the retail sector.
